## ABOUT US

We help companies in the audiovisual industry to obtain stories that touch, inspire and entertain their audience.

Times are changing, it's true, but at Amashort we believe that there is something that never changes: the power of stories.

That is why we have a catalog of short films, series and documentaries, for children and adults. We choose each film for the same reason that the audience remains in front of the screen: **because it moves us.**

## TO BELONG DOCUMENTARY

Human beings have a natural need to belong to a community. Many times, the price paid for belonging becomes very high if we censor who we are for fear of being excluded. This documentary brings together the voices of those who faced that dilemma: censoring themselves to please and continue to belong or express themselves as they are, running the risk of being excluded, but conquering freedom and new spaces of belonging.
